1. A model two voice poem (by Lekh Baral)

Voice 1: (Seoyeon)	**Voice 2: (Wendy)**
My name is a melody,	
	My name is simple,
Often misread.	
	Often mistaken.
Two syllables, *rare*	***Two syllables,***
	common
It came from my grandmother.	
	It came from a book.
It is my history.	***It is my history.***
They stumble, I correct.	
	They just don't ignore, I beg.
"It's *Seo-yeon*, not *Sien*."	
	"*Wendy* please, not *Andy*!"
It is who I am.	***It is who I am.***
A quiet beauty.	
	A solid anchor.
Names are more than sounds.	***Names are more than sounds.***
THEY ARE WHO WE ARE.	***THEY ARE WHO WE ARE.***
