

RESSURSARK – LYTTMATERIELL - ENGELSK

Tittel: Career Choices (2006) – Engelsk Vg3 Samfunnsfaglig engelsk

Kort beskrivelse: Leoni is talking to the guidance counsellor at school about problems she is having deciding which career choice to make. She discusses two main choices and her mother's wishes for her future. The guidance counsellor is not of much help.

Oppgaver for refleksjon /diskusjon/samtale:

1. What two career options does Leoni consider in the conversation with the counsellor? Which one does she prefer?
2. What reasons does Leoni's mother have for wanting her daughter to study medicine?
3. What motives does Leoni have for *not* wanting to follow her mother's wishes? Do you see her point? Why? Why not?
4. If you were the guidance counsellor at Leoni's school, what would your advice to her be?
5. What career choices are you facing? Do you feel school has prepared you well for the next stage in life? State your reasons.
6. Would studying or working abroad be an alternative for you? Why? Why not?
