

RESSURSARK – LYTTEMATERIELL - ENGELSK

Tittel: Liberal Democrats (2006) – Engelsk Vg3 Samfunnsfaglig engelsk

Kort beskrivelse:

Michael is interviewing Robert Wilson, a Liberal-Democrat councilor, about his political party. Robert gives a brief account of the history of the Liberal Democrats and discusses the problems the party has in the British electoral system. He also talks about issues which his party finds important.

Oppgaver for refleksjon /diskusjon/samtale:

1. Account for the most important historical aspects of the Liberal Democrats.
2. Which are the two most influential political parties in the United Kingdom? Can you say something about their different focus in political matters?
3. Why is it so difficult for minor political parties in the UK to gain national power?
4. How does the UK's electoral system compare to that of Norway? Which one would you prefer?
5. What are the advantages with the British first-past-the-post system, where the winner takes all?
6. What would you do to improve either/both of the political systems in the UK or/and Norway?
