NORWEGIAN CENTRE FOR  
INTERNATIONAL COOPERATION  
IN EDUCATION

The project supported by DIKU [www.siu.no](http://www.siu.no)

The Norwegian Agency for International Cooperation and Quality Enhancement in Higher Education (DIKU, previous name SIU) is a Norwegian public sector agency that promotes international cooperation at all levels of education.

DIKU is located in Bergen, the 2<sup>nd</sup> largest city of Norway.

DIKU announces many supporting programs annually

## The project goal:

- Engaging in OUC's master program "Green Energy Technology" starts in 2019, from a research collaboration aspect.
- Organizing student research projects through student mobility.
- Identifying appropriate match both for student mobility model for suitable or viable research topics for research collaboration.

## Expected results:

- Trust building and maintaining collaboration network with BJTU.
- Building and testing hosting channels and contacts for regularly international student mobility
- Promoting and generating mutual understanding and identifying good cases for OUC and BJTU student mobility.

## **Expected results relevant to project operation**

**Mobilizing 2 OUC outbound students conducting their bachelor thesis at BJTU, contributing thematic topics for OUC and BJTU collaboration.**

**Mobilizing and organizing 4 BJTU inbound post-graduated master students conducting their master thesis partly at OUC, combined within an OUC student research subject and contributing thematic topics for OUC and BJTU collaboration.**

**All student mobility need to register and get grades as a part of hosting institution grade system, so we need both OUC and BJTU study administrations supporting for this project.**

## **Total budget for the project NOK 300 000,-**

- **The project period lasts 31 December 2020 (2 years)**
- **Only supported direct costs, no wage no equipment**
- **Involved institutions own contributions in working hours**
- **Requirements for report and disseminations**
- **Need to involve in student mobility**
- **Need to balance gender equally**

## Involved and contributed OUC partner and BJTU colleagues

### Østfold County Government Section for climate and energy planning

<https://www.ostfoldfk.no/natur-og-miljo/klima-og-energi/klima-og-energiplanlegging/>

- **Guri Bugge, Advisor for climate and energy**
- **郭盛 Professor, Guo Sheng, BJTU for overall project management**
- **贾力 Professor Jia Li, BJTU, for student research project topics**
- **史红梅 Professor, Li Hongmei, BJTU academic course supporting**

**The main partner – Østfold University College**  
**Budget, project progress, report, disseminating Norway**

**The collaborating partner – Beijing Jiaotong University**  
**Actions and activities at BJTU in China**

**The main partner responsible coordinator**  
**吴弘 Dr. Hong Wu, overall project action and activities**  
**Reporting to DIKU [www.siu.no](http://www.siu.no)**

**The collaborating partner responsible coordinator**  
**鄂明成 Dr. Er Ming Cheng, overall project actions at BJTU China**  
**Facilitating and assisting project actions at BJTU China**

**How shall we activate this project so we conduct the project successfully and beneficially for both sides?**

**Questions? Comments?**

**Thanks!**
