

NISK2025 Call For Papers

We are pleased to invite you to submit your research papers for the Norwegian Conference on Information Security (NISK2025), scheduled to be held in **Halden Norway, 24-26 November 2025**. NISK2025 will be held in conjunction with the NIKT conference (URL: <https://www.hiof.no/iio/itk/om/konferanser/NIKT2025/>)

The aim of the NISK conference series is to be the principal annual research venue in Norway for presenting and discussing developments in the field of ICT security and privacy. We seek to bring together people from universities, research institutions, industry, and public authorities. We invite both national and international contributions by researchers, practitioners, and PhD- and Master students presenting new problems and solutions within topics on ICT security. Acceptable topics are sought in all areas of ICT-related information security problems, both theoretical, experimental, and best practice.

Three contribution categories are available for NISK2025:

- **Full papers:** Full papers on research and development results (up to 16 pages).
- **Short papers:** Short reports, or position papers (up to 5 pages).
- **Extended abstracts:** Presents preliminary findings, innovative ideas, or Practical insights that are relevant to the conference topics (up to 2 pages).
